Juried Artist/Booth Application

Application Deadline — April 1

As a former Juried Artist applicant, your work will be judged against all other participating applicants in the categories of Woodworking, Metal, Leather, Accents, and Art to Wear. Only 100 artists will be selected through this initial jury process to display their work on a pedestal at the Western Design Conference. Please present photos that best depict the custom, handcrafted and unique attributes of your functional art. If you are accepted to show your work at the WDC, our expectations are that you will show a piece on your pedestal that has not been previously displayed to the public.
